## The Old Reliable Jewelry House

of Hopkinsville is, after all, the best place to get anything in the  
Jewelry line. There's a record behind us, a record of over  
thirty years; a clean record of satisfied customers, a record of  
honest dealing, for honest quality, honest prices. It's a record  
any Jeweler might feel proud of. And when we sell an article  
we have in mind that we have a record to maintain, and no slip-  
shod methods, no careless workmanship, no lack of quality, is  
ever allowed to mar the record of the past. But to improve, if  
possible, this record, is ever our aim, and goods are sold for as  
low a price as it is possible to sell reliable goods.

It will pay you in the end to deal with the Old Reliable  
Jeweler.

M. D. KELLY,

N. Main St., Opp. Court House.

## CITY FINANCES DISCUSSED.

Council Holds Session Devot-  
ed to Routine Work and  
Settlements.

### PAVEMENTS ORDERED.

Property Owners on West  
17th Street to Be Forced  
to Put Down Curbing.

The city council met Friday night  
in regular session and disposed of a  
mass of routine business mostly con-  
cerning the finances.

The bond of City Tax Collector H.  
C. Moore was approved for the cur-  
rent term.

Messrs. Frank Rives and Chas. O.  
Prowse, commissioners appointed to  
make settlement for the city with  
the administrator of the late Gus  
Tandy, tax collector, reported that  
they were not quite ready for a set-  
tlement.

Mr. Tandy was collector from 1902  
until his death July 28, 1906, and  
there has never been any quietus  
given for any year. Only about \$700  
was collected for 1906 and this book  
was released some time ago and is in  
the hands of the new collector. The  
books for 1905 and 1904 are also  
ready, but those of 1903 and 1902  
have been only partly examined. The  
delinquent taxes amount to about  
\$12,300 since 1902 and about \$2,000  
worth of property tax was repre-  
sented by the tax sale July 16. A  
delinquent tax collector will be elect-  
ed to collect about \$10,000 yet out-  
standing. Collector Moore reported  
\$25,000 of property listed for taxes  
by him that had been located and  
verified. About \$55,000 more was  
being investigated and would be re-  
ported at the next meeting. These  
additions to the assessor's list will  
increase the total to more than  
\$3,000,000.

The bill for \$1,023 for new fire  
hose purchased in February was or-  
dered paid.

Mayor Meacham reported that he  
had received an invitation for himself  
and the city council to attend the  
meeting of the League of American  
Municipalities at the Auditorium in  
Chicago Sept. 27.

An ordinance was passed ordering  
down a brick or concrete pavement  
on East Ninth street, east of Bel-  
mont street.

The city engineer was directed to  
advertise for bids for putting down  
stone curbing on West Seventeenth  
street wherever the ordinance of  
last spring has not been complied  
with by Aug. 25th.

The reports of City Engineer Mc-  
Claid, for June and July, passed  
over at the last meeting were re-  
ceived and ordered filed.

## WORSE THAN 'FRISCO'S.

Valparaiso, Chili, Gets 82  
Shocks and Many Towns  
Destroyed.

### 2,000 LIVES ARE LOST.

Whole Western Coast of  
South America Gets a  
Shaking Up.

Valparaiso, Chili, Aug. 20.—At  
7:52 o'clock last Thursday evening  
Valparaiso experienced an earth-  
quake of great severity and during  
that night eighty-two shocks were  
felt. Most of the buildings of the  
city were ruined or damaged. The  
loss will be enormous, probably  
reaching \$250,000,000.

Two thousand persons killed is  
considered to be a fair estimate of  
the casualties.

Vina del Mar, three miles from  
Valparaiso, and having a population  
of over 10,000; Quirihue, 225 to the  
Southward, with a population of  
2,500; Salto Limache, fifteen miles to  
the Northwest, with a population of  
6,500; Quillota, twenty-five miles to  
the Northwest, with a population of  
10,000, and villages all around were  
destroyed.

Most of the damage was due to  
fire which started immediately after  
the first shock.

The whole population is sleeping  
in the hills, the parks or the streets.

At Santiago many of the best pub-  
lic and private buildings were  
wrecked. The loss of life there was  
augmented by the panic which  
seized the people, many of whom  
threw themselves from the balconies  
of their homes.

The railroads are destroyed.  
Rain, which began to fall im-  
mediately after the first shock,  
stopped an hour afterward.

The nights are very cold and  
windy and the people sleeping in the  
open are suffering greatly.

The captain of a steamship which  
has arrived from San Francisco,  
says that the situation here is worse  
than that following the disaster at  
San Francisco.

### DIED SATURDAY.

J. Rogers Barr Passes Away  
at Lexington.

Mr. J. Rogers Barr, son-in-law of  
Mr. Hunter Wood, of this city, died  
at Lexington Saturday, in the 38th  
year of his age. He was general  
manager of the Lexington and East-  
ern Railroad and was prominent in  
business and social circles. He was  
a son of Judge Jno. W. Barr, of  
Louisville. A widow and two chil-  
dren survive him. The funeral at  
Lexington was attended by Mr. and  
Mrs. Hunter Wood and Mr. A. W.  
Wood, of this city.

### MUCH IMPROVED.

Mrs. Wolfe Will Soon Be  
Able to Be Out.

The condition of Mrs. Phil Wolfe,  
who a week or so ago underwent an  
operation at the Sanitarium for ap-  
pendicitis, is much improved and  
she will soon be well enough to be  
out again. Mrs. Wolfe was removed  
from the Sanitarium soon after the  
operation was performed and she is  
now at the residence of Mr. Wolfe's  
father on Jesup's avenue.

## New York Life.

Hopkinsville, Ky., April 30th, 1906.

Mr. Walter F. Garnett, Agent,  
New York Life Insurance Co.,

Dear Sir:—  
It gives me pleasure to acknowledge receipt of statement of optional  
settlement on 20-Payment Life Policy, No. 223,593, for \$1,500.00, issued  
at age 35, with premium of \$52.50, taken out with you Apr. 29, '86. After  
having been insured for 20 years, I am offered a paid up policy for \$1,500  
and a cash dividend of \$406.88, or the total value may be withdrawn in  
cash—\$1,215.85, (which is more than I have paid in in the 20 years) or a  
fully paid up policy payable at my death for \$2,219.00.  
The cash settlement of \$1,215.85 is equal to Term Insurance at  
\$12.87 per \$1,000 and an investment of the balance of premiums with 5 per  
cent. compound interest for twenty years. This showing is certainly a  
creditable one for the New York Life, and I will be pleased to give you  
my application for \$1,000 on the Ordinary Life plan.  
Yours very truly, C. E. WEST.
